SERIOUS ABOUT SECURITY

## INDOOR WIFI CAMERA

Search for the free 'ERA Protect' App

SMART  
HOME SECURITY

### FEATURES

See and hear what's happening inside your property, from anywhere on a smartphone or tablet. The ERA Protect Indoor WiFi Camera alerts you when motion has been detected. You can watch live video and review stored recordings from the ERA Cloud\*.

- **Crystal clear recording.** Cloud footage records in 1080p HD resolution. Night mode ensures operation day and night.
- **Ready when needed.** With a sophisticated motion sensing algorithm, alerts are instant by push notification, when motion is detected.
- **Secure as can be.** 128 bit SSL security, your clips will be safely stored for 30 days\*.
- **Easy to use.** The ERA Protect Indoor Camera can be accessed via the ERA Protect app, and operated as standalone or as part of a full security system or alarm, cameras, and video doorbell.
- **Compact design.** With connection via the power adapter for easy installation. Pairing to the app is simple with QR code scanning. The camera can be positioned free-standing or wall mounted using the magnetic stand.

\*with ERA subscription.
