

## PIR MOTION SENSOR

### ACCESSORY FEATURES

- **Detection Zone** (up to 12m)
- **Built in tamper protection**
- **Minimum 2 year battery life**
- **The Protect Alarm system app can expand to hold up to 96 accessories to suit your need**

### KEY BENEFITS

#### PIR Motion Sensor

Pet friendly (up to 25kg)

Easy self-installation

Free to use system and app (available on IOS and Android)

App alerts you if any motion is detected

KM 722890

### ORDERING DETAILS

Products:  
PIR Motion Sensor

Part No.  
SALAPWHPFP

### TECHNICAL INFORMATION

#### ERA Protect PIR Motion Sensor

Item	Parameter
Battery:	DC 3V (1x CR123A lithium battery)
Max. Detection Distance:	12m/25°C
Emitting Distance:	150m (in the open area)
Working Current:	≤35mA
Quiescent Current:	≤20uA
Maximum Coverage:	12m x 12m (39 x 39 feet) / 90°
Frequency:	FSK 868MHz
Pet Immunity:	25kg
Alarm Indication:	LED red light flashes Launch
Heatbeat Report:	once every 2 hours
Housing Material:	ABS Plastic
Operating Temperature:	10°C - 60°C <95% RH 20°C -
Storage Temperature:	60°C (4°F - 140°F)
Dimensions (HxWxD):	78 x 51.5 x 35mm
EAN:	5054040301967

### PACKAGING

#### Kit Content - PIR Motion Sensor

Includes: 1 x PIR Motion Sensor, 1 x Quick Start Guide, 1 x Wall Mount, 1 x Fixing Kit
